LANCELOT QUANTON

Stallion Profile

Quanton Stud are proud to present Lancelot Quinton, a top quality Holstein stallion with three wonderful light paces and an outstanding trot. Lancelot has a fantastic natural jump and temperament. This horse has some of the best dam lines in the world and high quality sire lines, he is premium graded at stud in Germany.

Performance Record

Due to overwhelming German demand, Lancelot is currently leased to the German State Stud in Moritzburg to enhance the German bloodlines and breeding programme. Lancelot was the most popular stallion at the German State Stud in 2006, last year he covered over one hundred German mares and this was

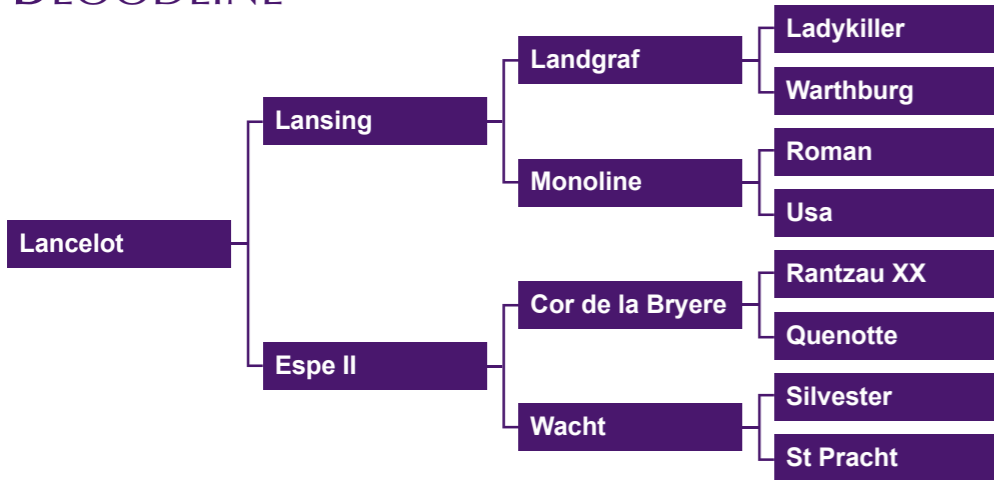

just his first season.

Lancelot is Premium Graded (Munich 2005) and he was the Reserve Champion in his 30 day test at Moritzburg in 2006.

Lancelot's performances are foot perfect in dressage and show jumping, he has performed at numerous German Stallion shows and he has behaved brilliantly, never failing to wow the crowd.

Lansing (Lancelot's Sire) was a National Champion at five years old and is half brother to the foundation, sire Cantus. The strain 18b1 is one of the very best strains of Holstein and probably the best strain in producing sires such as Constant (sire of Chin Chin and Farn). Lancelot also benefits from some of the best Dam lines in the world.

BLOODLINE

Lancelot Quinton

www.quaintonstud.co.uk

On the Quinton Stud website you can view more pictures of Lancelot and video footage of him being ridden in parade at a stallion demonstration in Germany.

On the website there is also further information about Lancelot, his achievements, bloodline, ancestors and information on the other stallions that Quinton Stud offer.

Contact us
